• **Additional Skills:** Cross-Browser Compatibility, Debugging, Version Control, Agile Collaboration

WORK EXPERIENCE

Frontend Developer (Contract) – Parking Management App
Jan 2025 – Feb 2025
• Developed and deployed responsive UI components using Vue 3 Composition API and Tailwind CSS.
• Integrated real-time parking slot updates to enhance data accuracy.
• Optimized page performance and reduced load times by 30%, improving overall user satisfaction.
• Delivered intuitive User Interface (UI) and User Experience (UX) solutions aligned with client goals.

Frontend Developer – Hadiawada Creative Portfolio Platform

Feb 2025 – Mar 2025
• Built a dynamic portfolio platform for artists using Vue 3 and Vite, ensuring device-responsive layouts.
• Implemented reusable UI components and improved site accessibility and SEO visibility.
• Enhanced site ranking by implementing SEO metadata and schema markup.
• Delivered high-performing front-end architecture supporting cross-device compatibility.

Lead Frontend Developer – Delivaz Multi-Vendor E-commerce Platform
Jan 2023 – Nov 2024
• Led the front-end development and design for a multi-service e-commerce platform using Nuxt 3.

• Delivered scalable, SEO-friendly web applications supporting multiple vendors and services.
• Optimized performance through lazy loading and code splitting, increasing Lighthouse score from 70 → 95.
• Collaborated with cross-functional teams to ensure accessibility, consistency, and smooth User Experience (UX).
